

Directions for Puzzle Activity

You will be creating an artistic, creative, and informative representation of you on a piece of a puzzle that when put together represents our class.

Please bring a picture of you to put in the center.

- 1) Divide the center section of your puzzle piece into 4 quadrants.
IMPORTANT: some puzzle pieces will run horizontally (sideways) and others will run vertically (up and down). **Your teacher will tell you how to do your piece.**

- 2) Neatly write your first name above the hole for your picture and your last name below it.
- 3) **Choose 4** of the following topics to include on the center section of your puzzle piece. You will label each quadrant with the heading, provide the information, and then illustrate.

Heading choices:

- A. "My Family" (may add picture of family)
 - B. "My Goals for 6th Grade." (**at least three**: may be in bullets)
 - C. "My Favorite Place"
 - D. "Words That Describe Me" (**at least three**)
 - E. "My Favorite things" (**at least three**)
- 4) On the end pieces of the puzzle piece, draw two **symbols** that represent you.
 - 5) Each section must be written neatly, colorful, neatly and creatively illustrated and use **correct spelling and grammar**. **Quality work is the expectation!**
